

WM VILLAGE OF MATTAWAN

This is a conceptual drawing of the existing Mattawan Memorial Park in the Historic Downtown. In the center you can see where the memorial bricks will go from the sidewalk at Front Ave to the Veterans Memorial and Flag Pole area. The Memorial Brick Program is a way to honor families and businesses who have an attachment to the Village of Mattawan. This program takes the place of living memorials because of the tracking, and eventual removal of a living memorial because of condition or sometime placement causes issues in the future.
